

AUTHORITY TO EXCHANGE - SALE

When all the parties are ready and a completion date has been agreed, we will be able to affect exchange of contracts. At exchange, the completion date (moving date) will become fixed and all parties will be bound to complete on this date.

We would be grateful therefore if you could provide your authority for this firm to exchange contracts. Will of course contact you again when the other party is ready and inform you when exchange is to take place. If you do not wish to exchange at that point, your further written confirmation will need to be provided. This can be provided by email to HStockton@campions.co.uk.
