

Re: Making a Will Guidance

Thank you for your enquiry concerning making a Will.

We enclose the Will Pack. The Will Pack consists of this document and:

1. Brief Guide to Making a Will.
2. Instruction form.
3. Care Letter

Our fee for acting for you in the preparation of for a single Will is £120.00 inclusive of VAT, and for a double Will (ie two Wills in similar form usually for husband and wife or for partners) the fee is £180.00 inclusive of VAT. Please note that this is on the following basis:-

1. That there are no unusual complications in the Will(s).
2. That you do not wish to make substantial alterations in your instructions.
3. That there is no tax advice required with regard to inheritance tax.
4. The maximum limit is £850,000

We reserve the right in any of the above circumstances to increase our fees but we will of course give you notice before we do. We would add that, in the majority of cases, the original fee remains unaltered. Where inheritance tax is an issue we will be unable to accept your instructions since we do not provide advice in this highly specialised area.

Please complete the instruction form after you have read the Brief Guide to Making a Will. Please leave any questions blank if you are unsure of the answer or if you feel that the question does not apply to you.

If you wish us to act you must also return the care letter completed and signed with copy identification documents.

Please contact us if you require further assistance.

Yours sincerely,

Campions Solicitors
